

2011 Nationals Mayflower SC Plymouth 14th to 19th August

We have just had a great Nationals at Beaumaris , Angelsey, with 43 boats taking part with some excellent sailing, perhaps a bit overpowering for some of us at the back of the fleet.... (and maybe even some at the front!) but there is a promise of a little bit calmer water for our next Nationals.

We are going to Plymouth from: 14th to 19th August 2011 as guests of Mayflower Sailing Club.

They are located on Maderia Road, opposite the National Marine Aquarium. This is just a

preliminary notice just to whet your appetite but we can guarantee there will be fireworks! Yes.... in the same week the National Fireworks Championships will be held to be watched from the Hoe.

So get that date on your calendar so you don't miss out.....Further details are to come in a mailing, and in the next issue of your 'favourite' Halo magazine.
